PROFESSIONAL SUMMARY

Web Developer with strong expertise in building responsive, high-performance web applications. Skilled in modern technologies and programming languages, with a passion for crafting clean, **scalable**, and user-centric solutions. **Adaptable**, detail-oriented, and driven to deliver innovative results in fast-paced environments.

WORK EXPERIENCE

VikasG Web Solutions Pvt. Ltd.

Jun 2023 - July 2023

Intern

- Pursued Full Stack Web Development while actively building **real-world projects**.
- Developed hands-on expertise in the Backend Development through multiple applications.
- Participated in daily standups and learned industry-level practices.

PROJECTS

Campus Connect - Student Networking Platform

Developed a web-based platform aimed at connecting students within a university, allowing them to share resources, post announcements, and interact in a collaborative environment. Built the application using PHP, MYSQL, HTML, CSS, JavaScript, and integrated features like user authentication, discussion forums, event calendars, and resource sharing.

Gully Cricket - Cricket Scoring Platform

Developed a web-based application to manage live cricket score tracking for local matches and tournaments.

- Implemented features like:
- Match creation and team registration
- Ball-by-ball scoring interface
- Automatic scorecard generation (runs, wickets, overs, player stats)
- Real-time scoreboard updates
- Designed an admin dashboard to manage tournaments, players, and match data.
- Integrated a MySQL database for storing match stats, team/player data, and user authentication.
